

## *FRAMEWORK* for colleges

Registering as a college **Framework** user provides you with:

- Access to a current database of placement opportunities for you students with reputable companies across Europe.
- User friendly e-learning packages to prepare your students for your placement.
- The potential for the students to be assessed through the use of an online digital assessment tool.
- A support structure to help your students through their placement.
- The opportunity for your students to gain accreditation for your placement period with an international awarding body.
- To enhance your reputation with you placement partners.
- Marketing potential.

## Getting Registered

You can only become a college **Framework** user if your educational institution is a **Businet** member. For details of membership see [www.buset.org.uk](http://www.buset.org.uk)

When you register, your details are automatically passed on to the system administrator who will be required to approve your registration. When the system administrator has confirmed your approval you will be registered as a college **Framework** user.

When registering you will be required to confirm that you agree to abide by the "Code of Conduct" detailed on the form.
